

# PLEASE JOIN SCC AND SPAIC COUNCIL FOR A DIVERSITY, EQUITY AND INCLUSIVE TRAINING

Phoenix Peace Builders

The Phoenix Peace-Builders mission is to help communities heal from generations of trauma by creating positive change from within and without. Trainers

Mark Westfall-Klym and Azul Navarrete promote the principles of Kingian Nonviolence and conflict reconciliation. Attendees will gain knowledge of the concepts of Indigeneity, colonization, decolonization and a give/take relationship. Understand that peacebuilding can happen during conflict and as ongoing relational maintenance as well as ways to apply this knowledge.

This educational opportunity is available for the entire SCC Campus, students, faculty and employees.

A CERTIFICATE OF COMPLETION will be issued by SPAIC (SCC Promoting An Inclusive Community) to all students who attend.
